## Revolutionize Your Beverage Business

### DELIGHT YOUR GUESTS

- Satisfy your guests' desire for variety with 60+ beverage choices
  - » 20+ brands that can only be found on Coca-Cola Freestyle
  - » 30+ low/no calorie brands
  - » 40+ caffeine-free brands
- Engage guests in new ways:
  - » Interactive touchscreen experience with fun and intuitive user interface
  - » Wheelchair accessible interface
- Deliver consistent drink quality with patented Coca-Cola Freestyle PurePour Technology™ and TrueCarb™

### DRIVE GROWTH

- Impact consumers' choice of outlet\*
- Attract sought-after demographics, including 15-24 year-olds and multi-cultural consumers\*
- Grow your fountain servings, total beverage servings, total store revenue and bottom line with increased consumer choice\*

### DELIVER OPERATIONAL EFFICIENCY

- Reduce backroom space requirements
- SmartPAK™, an eco-friendly recyclable paper cartridge and reusable plastic tray will replace the BIB packaging
- Countertop installation - minimal site preparation required
- Optimize uptime with troubleshooting features such as ingredient fill gauges, on-screen messaging and remote diagnostics
- Wireless connectivity enables remote content and software updates, inventory management, as well as consumption and service log updates
- Self-contained ice dispensing and cooling unit, eliminates the need for separate equipment and optimizes counter space needed
- Easy to clean - one single nozzle and smooth surfaces make cleaning quick and easy

### COUNTERTOP TOUCHSCREEN DISPENSER

Ideal for Medium Volume Customers  
(350-850 VPO)
